## BEST GOLF COURSES IN VIETNAM: BA NA HILL GOLF CLUB LIGHTS UP THE MIDDLE OF VIETNAM

The newest golf course in Vietnam, Ba Na Hill Golf Club now is the first golf course in the Middle of Vietnam that provides golf services at night.

The IMG managed Ba Na Hills Golf Club is located at the foothills of the famed Ba Na Hills on Vietnam's central coast. This stunning property is set amongst some of the most impressive mountain ranges in the region, complimenting the inaugural Luke Donald designed course. It is destined to become one of the finest in Asia.

At 7,595 yards (6,945 meters) the par 72 18-hole Championship golf course provides a balance of challenge, enjoyment and excitement to golfers of all levels and abilities. The front 9 is somewhat more traditional forest/parkland in style, while the back 9 winds its way through the twists and turns of the surrounding hillside. The bunkering style is impressively bold with grass rolled over the faces leaving the sand partly visible from the tees. The greens feature subtle undulations and encourage a variety of approach shots.

The first golf course designed by former world's No. 1 golfer Luke Donald, Ba Na Hills Golf Club features 18 holes located at the foot of a high mountain range 20km to the west of the central city of Da Nang. Ba Na Hill Golf Club has started to operate intelligent lighting system, enabling golfers can play well into the evening.

The light break time is now 9pm, golfers can play from 3-4 hours a day. Intended during peak season (between December to April), the light stays on until 10pm - 11pm. To attract and encourage golf in the evening, Ba Na Hills Golf Club offers opportunities for golfers unlimited play from 3pm - 9pm on weekends for \$ 1.7 million dong (about 75 dollars). Program 'Twi-Night' last until August.
