## Da Nang has night golf for first time

Tuesday, June 21, 2016

**(National Times)-** Ba Na Hills Golf Club will become the first golf course in central Viet Nam to open at night.

During peak season, from Dec to Apr, Ba Na Hill Golf Club will open until 10 – 11PM. Even in off-peak season, with the closing time at 9PM, Ba Na is still the only golf club in central Viet Nam to offer night golf.

Located on the road of Ba Na – Suoi Mo, very close to Ba Na Hills Mountain Resort, Ba Na Hill Golf Club has 18 holes and is designed by the world’s No.1 golfer Luke Donald.

On an area of 165 hectares, the golf course is a diverse mix of forests, streams and mountains. From here, the golf ball can travel through the white sand dunes, lakes and bushes.

Jack Hedges, General Director of Ba Na Golf Club said that this is not the only golf course built on the natural terrain of the mountainous area, but also the first one with a state-of-the-art lighting system allowing the course to open at night, in central Viet Nam.

“We believe that with its unique beauty, Ba Na Hills Golf Club is going to be a highlight of tourism in Da Nang and will help attract more foreign tourist, especially those with high income to Da Nang,” said Dang Minh Truong, CEO of Sun Group, the Vietnamese investor behind Ba Na Hills Golf Club.
